**which will be published soon:**

**"Prepping™ for Sale, Sanctuary or Satisfaction:  
Harmonizing Your Living and Working Spaces"**

**PREPPING™ for Sale, Sanctuary or Satisfaction: Harmonizing Your Living and Working Spaces is an integrated, ancient and modern set of methodologies that will revolutionize homes and the housing industry for homeowners, renovators, developers, builders and Realtors. The PREPPING™ approach flows with the new wave incorporating energy-efficiency and "green" easy-living houses, gardens and offices.**

**PREPPING™ is enjoying your life in a personally creative manner, using the 'zen' approach where less clutter is more appreciation with a fresher, friendlier feeling and use of interior space. It's maintaining flowing, lively, grounded and strong energies in each room and area of your home, garden and office places combining all the best aspects for promoting relaxation and comfort, health and vitality, efficiency, cleanliness**

and happy pets. The ultimate result is optimal human friendship and communication enhancing personal, family and work relationships.

PREPPING™ combines historical architectural and housing styles, interior design, furniture trends, garden landscaping, psychology, quantum physics, feng shui, vastu, colour theory, staging and much more. This is the 21<sup>st</sup> century method to scientifically prepare your home for living and/or selling.

The chapters of this book present informative backgrounds on the Philosophy, History, Psychology, Anthropology and Energetics of Homes and Houses, along with those on Feng Shui, Your Dream Home and Landscape and Garden Design.

The various stages to PREPPING™ your home, garden and office are outlined from the author's experience, along with photos to stimulate and inspire you. This book is a must-have for those who have abiding interests in homes, any interior spaces

and staying healthy, vital and energized.
